

## Before only 1 Account for all languages:

- Facebook 1 account before: hot-s-hot.com
- Instagram 1 account before: hot-s-hot.com
- TikTok 1 account before: hot-s-hot.com
- Youtube 1 account before: hot-s-hot.com

for: English - German - Russia - Thai - Chinese - Clips all in one. No good.

Because facebook and co. thinking we do the clips double and double,...

## we have to change!!

### 1 Account for 1 language:

- Facebook - 1 account for all english (Clips) ...now: hot-s-hot.com/english
- 1 account for all german (Clips) ...now: hot-s-hot.com/german
- 1 account for all russia (Clips) ...now: hot-s-hot.com/russia
- 1 account for all thai (Clips) ...now: hot-s-hot.com/thai
- 1 account for all chinise (Clips) ...now: hot-s-hot.com/chinise
  
- Instagram - 1 account for all english (Clips) ...and so on,...see upstaris
- 1 account for all german (Clips)
- 1 account for all russia (Clips)
- 1 account for all thai (Clips)
- 1 account for all chinise (Clips)
  
- TikTok - 1 account for all english (Clips)
- 1 account for all german (Clips)
- 1 account for all russia (Clips)
- 1 account for all thai (Clips)
- 1 account for all chinise (Clips)
  
- Youtube - 1 account for all english (Clips)
- 1 account for all german (Clips)
- 1 account for all russia (Clips)
- 1 account for all thai (Clips)
- 1 account for all chinise (Clips)

Because we have to much same same videos in one account,  
because the videos are in 5 languages, same same!  
Fachebook and Youtube think we make double.

Also a costumer who speak German, he is not interessted to look Thai Clips!  
and a costumer who speak English, he is not interessted to look Russia Clips!

chosse same password

for Facebook: xyz-english  
xyz-russia....
