描述:

English for Siam Health Spirulina Chlorella
It is the first Thai medicine/herbal shop in Pattaya which is operated by a German and is responsible for guiding customers who want to maintain their health by natural methods without chemicals. In the case of illness, most private hospitals have a high cost and most of them will take a long time to treat, making patients discouraged and may not have money to pay for treatment. We have advice on holistic treatment guidelines with low treatment costs.
